V_KIT/W   Wall adapter for vertical keyboards, IP55, white

The innovative design of this housing gives a quick and effective solution for a variety of different applications, such as cold-rooms, benches and industrial environments where it is difficult to mount the keyboard on a wall.
 A main feature is ease of assembly and with IP55 protection, it can be used in environments that may be subject to water spray or rigorous cleaning routines.

 The V-KIT is suitable for all vertical format keyboards.

 Dimensions: 100x64x43mm

 Color: white
