

LC11

Liquid crystal thermometer white or black color available

28x48mm, panel mounting

Features

Display	3 digits, -
Power supply	Battery - 24 months duration

Inputs

Probe	NTC included
--------------	--------------

Measurement

Measurement range	-40÷50°C -40÷122°F
Accuracy	Better than 1% of full scale

Generals

Housing	Self extinguishing ABS
Display type	LCD
Data Storage	EEPROM memory
Operating temperature	0°÷60°C 32°÷140°F
Storage temperature	-30°÷85°C 22°÷185°F
Relative humidity	20÷85%
Resolution	0.1°C or 1°F
